Dear Sir,

I am writing to ask you to personally investigate the published atrocities which are going on in The Peoples Temple Agricultural Mission presently stationed in Georgetown, Guyana South America.

My son Darrell Devers is there, and I have reasons to believe he is being kept against his will, as well as many others who wish to come home and cannot.

These are all United States America citizens over 1,000 of them, living in humiliation every day. Please investigate

Sincerely
